Amending O. Reg. 404/12

(ENERGY EFFICIENCY — APPLIANCES AND PRODUCTS)

1. (1) Subsection 2 (1) of Ontario Regulation 404/12 is amended by striking out “clause 15 (1) (a)” and substituting “section 15”.

(2) Subsections 2 (1.1) and (1.2) of the Regulation are revoked.

2. The Regulation is amended by adding the following sections:

Rolling incorporation of a foreign regulation that is revoked

2.1 If a standard or requirement set out in section 1 of a Schedule to this Regulation incorporates by reference a provision of a regulation from a jurisdiction outside Canada as it reads on the date the particular appliance or product is manufactured and the incorporated provision is revoked and not replaced by the date the appliance or product is manufactured, the provision as it read immediately before it was revoked continues to have effect for the purposes of this Regulation.

Early compliance

2.2 (1) Despite section 2, for the purposes of section 15 of the Act, a person may apply a testing standard or an efficiency standard or requirement set out in section 1 of the applicable Schedule to this Regulation that would apply to an appliance or product if it were manufactured on a future date if the person complies with the following rules:

1. The person shall select a notional future date and apply both the testing standard and the efficiency standard or requirement set out in section 1 of the applicable Schedule to this Regulation that would apply if the appliance or product were manufactured on the notional future date.
2. If a testing standard or an efficiency standard or requirement set out in section 1 of a Schedule to this Regulation incorporates a document by reference as of a fixed date, the person shall,
 - i. use the version of the incorporated document as it reads on the fixed date, and
 - ii. apply the testing standard or the efficiency standard or requirement set out in the incorporated document that would apply if the appliance or product were manufactured on the notional future date referred to in paragraph 1.
3. If a testing standard or an efficiency standard or requirement set out in section 1 of a Schedule to this Regulation incorporates by reference a document as it reads on the date the particular appliance or product is manufactured the person shall,
 - i. use the version of the incorporated document that is in effect on the actual date the particular product or appliance is manufactured, and
 - ii. apply the testing standard or the efficiency standard or requirement set out in the incorporated standard that would apply if the appliance or product were manufactured on the notional future date referred to in paragraph 1.

(2) For greater certainty, early compliance under subsection (1) is not permitted if,

- (a) section 1 of the applicable Schedule to this Regulation does not provide for a testing standard and an efficiency standard or requirement that would apply to the particular appliance or product on the notional future date selected under paragraph 1 of subsection (1); or
- (b) an incorporated document does not set out either a testing standard or an efficiency standard or requirement that would apply to the particular appliance or product on the notional future date or the actual date, as the case may be.

3. Subsection 4 (1) of the Regulation is revoked and replaced with the following:

4. (1) A prescribed label referred to in clause 15 (1) (b) of the Act for an appliance or product must consist of either a label containing the registered trademark or symbol of an organization designated in subsection 3 (2) or (3), as applicable, or a label in the form provided by the Ministry.

1. Regulation 720 of the Revised Regulations of Ontario, 1990 is amended by adding the following section:**3.2 (1)** In this section,

“farmers’ market” means a central location at which a group of persons who operate stalls or other food premises meet to sell or offer for sale to consumers products that include, without being restricted to, farm products, baked goods and preserved foods, and at which a substantial number of the persons operating the stalls or other food premises are producers of farm products who are primarily selling or offering for sale their own products;

Attendant Care Hourly Rate Guideline

Superintendent's Guideline No. 02/14

Attendant Care Hourly Rate Guideline

Introduction

This Guideline is issued pursuant to s. 268.3 (1) of the Insurance Act and is incorporated by reference in s. 19 (2) (a) of the Statutory Accident Benefits Schedule – Effective September 1, 2010 (SABS).

Purpose

This Guideline establishes the maximum expense that automobile insurers are liable to pay under the SABS related to attendant care services, and applies only to accidents that occur on or after June 1, 2014.

The maximum hourly rates applicable to accidents occurring before June 1, 2014 continue unchanged. For example, the rates applicable to accidents occurring on or after September 1, 2010 and before June 1, 2014 continue to be governed by Superintendent's Guideline No. 03/10.

Insurers are not prohibited from paying above the maximum hourly rates established in this Guideline.

Collateral Benefits

In respect of any expense referenced in this Guideline, the amount which an insurer would otherwise be liable to pay is subject to reduction by that portion of the expense for which payment is reasonably available under any insurance plan or law or under any other plan or law.

Administration Fees

The hourly rates referred to in s. 19 (2) (a) of the SABS and this Guideline include all administration costs, overhead, and related costs, fees, expenses, charges and surcharges that have the result of increasing the maximum hourly rates. Insurers are not liable for any administration or any other charges or surcharges that have the result of increasing the effective hourly rate beyond what is payable under this Guideline.

Maximum Fees

Automobile insurers are not liable to pay for expenses related to attendant care costs rendered to an insured person that exceed the maximum hourly rates set out below.

Attendant Care Costs	Maximum Hourly Rate
Part 1: Hourly Rate A	
Level 1 Attendant Care is for routine personal care.	\$13.19

Directive du tarif horaire pour les soins auxiliaires

Ligne directrice du surintendant n° 02/14

Directive du tarif horaire pour les soins auxiliaires

Introduction

La présente Directive est émise par la CSFO en vertu du paragraphe 268.3 (1) de la *Loi sur les assurances* et a été intégrée par renvoi dans l'alinéa 19 (2) a) de l'Annexe sur les indemnités d'accident légales – en date du 1^{er} septembre 2010.

Objet

La présente Directive établit le maximum des frais que les assureurs automobiles sont tenus de payer en vertu de l'Annexe sur les indemnités d'accident légales relativement aux services de soins auxiliaires, et elle ne s'applique qu'aux accidents survenus à compter du 1^{er} juin 2014.

Le tarif horaire maximum applicable aux accidents survenus avant le 1^{er} juin 2014 demeure inchangé. Par exemple, les tarifs applicables aux accidents survenus à compter du 1^{er} septembre 2010 et avant le 1^{er} juin 2014 continuent d'être régis par les lignes directrices du surintendant n° 03/10.

Il n'est pas interdit aux assureurs de verser des tarifs horaires supérieurs à ceux établis dans la présente Directive.

Indemnités accessoires

En ce qui concerne les frais mentionnés dans la présente Directive, le montant qu'un assureur est tenu de payer peut faire l'objet d'une réduction correspondant à la portion des frais pouvant être raisonnablement couverts en vertu de tout régime d'assurance ou de toute loi ou en vertu d'un autre régime ou d'une autre loi.

Frais d'administration

Les tarifs horaires dont il est fait mention à l'alinéa 19 (2) a) de l'Annexe sur les indemnités d'accident légales et dans la présente Directive comprennent tous les frais d'administration, généraux et connexes, les frais, les dépenses, les charges et les majorations qui entraînent la hausse des tarifs horaires maximums. Les assureurs ne sont pas tenus de payer les frais d'administration ou toute autre charge ou majoration qui produisent une hausse du taux horaire effectif supérieure à ce qui est exigible en vertu de la présente Directive.

Frais maximums

Les assureurs automobiles ne sont pas tenus de payer les dépenses liées aux coûts des services de soins auxiliaires rendus à un assuré qui excèdent les tarifs horaires maximums établis ci-après.

Coûts des soins auxiliaires	Tarif horaire maximum
Partie 1 : Tarif horaire A Les soins auxiliaires de niveau 1 sont pour des soins personnels courants.	13,19 \$
